Notes on using the cover page:

1. The cover page can be used as a complement to submitting detailed forms adopted at the First and Second Meetings of the States Parties in instances when the information to be provided in some of the forms in an annual report is the same as it would be in past reports. That is, when using the cover page, only forms within which there is new information needs to be submitted.
2. The cover page can be used as a substitute for submitting detailed forms adopted at the First and Second Meetings of the States Parties only if all of the information to be provided in an annual report is the same as in past reports.
3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form is unchanged in relationship to a previous year's form, the date of submission of the previous form should be clearly indicated.
