Thank you Mr. Chair.

My delegation would like to pay tribute to the President of the 11MSP Mr Gazmend Turdiu of Albania and thank him and his team for the excellent work they have done and also applauds his patience and dedication to reach a consensual draft for the Agreement between States Parties and the GICHD which addressed the main concerns of our delegation and the parties. We congratulate him on that and we would like as State Party to declare our support for the proposed Agreement and express our congratulations.
