

STANDING COMMITTEE ON STOCKPILE DESTRUCTION

Questionnaire for States Parties which have recently fulfilled / are in the process of fulfilling obligations under Article 4 of the Convention

'ending the suffering caused
by anti-personnel mines'
ap mine ban convention

Background:

The *Nairobi Action Plan*, adopted at the Convention's First Review Conference in 2004, states that the States Parties yet to complete their anti-personnel stockpile destruction programmes will:

Action #9: Establish the type, quantity and, if possible, lot numbers of all stockpiled anti-personnel mines owned or possessed, and report this information as required by Article 7.

Action #10: Establish appropriate national and local capacities to meet their Article 4 obligations.

Action #11: Strive to complete their destruction programmes if possible in advance of their four-year deadlines.

Action #12: Make their problems, plans progress and priorities for assistance known in a timely manner to States Parties and relevant organisations and disclose their own contributions to their programmes in situations where financial, technical or other assistance is required to meet stockpile destruction obligations.

To help assess the application of this portion of the *Nairobi Action Plan*, the Co-Chairs invite States Parties which are in the process of fulfilling Article 4 obligations or which have recently fulfilled Article 4 obligations to make presentations on 23 April on the basis of the following questions:

Questions:

States Parties which have recently fulfilled their obligations under Article 4:	States Parties which are in the process of fulfilling their obligations under Article 4:
1. <i>What steps did your State take to establish the type, quantity, and, if possible, lot numbers of all stockpiled anti-personnel mines owned or possessed?</i>	1. <i>What steps has your State taken to establish the type, quantity, and, if possible, lot numbers of all stockpiled anti-personnel mines owned or possessed?</i>
2. <i>What appropriate national and local capacities were established or used to meet your State's Article 4 stockpile destruction obligations?</i>	2. <i>What appropriate national and local capacities have been established to meet your Article 4 stockpile destruction obligations?</i>
3. <i>What methods were used to destroy the stockpiled mines, where were the mines destroyed and what safety and environmental standards were observed in the destruction process?</i>	3. <i>What is the status of your State's stockpile destruction programme? (How many mines have been destroyed and remain to be destroyed? What is your time table for the destruction of these mines?)</i>
4. <i>How many mines of which types were destroyed and during which time period?</i>	4. <i>What, if any, difficulties do you face in the destruction of your stockpiled anti-personnel mines? If relevant, what are your priorities for external financial, technical or other assistance?</i>
5. <i>What, if any, difficulties did your State face in the destruction of its stockpiled anti-personnel mines and how were these challenges overcome?</i>
