

**Sudan Statement Towards Stockpiles Destruction.**

**Dear Co-chairs**

**24/04/07**

Sudan has been continuously exerting efforts by putting first step towards stockpile destruction of anti personnel mines. The 30<sup>th</sup> of current month has been mentioned the day in which 4,485 anti personnel mines will be destroyed. In this regards we shall have destroyed approximately 48% of whole stock and left with 5,000 which is 52% to be destroyed next year. While carrying out this important event all concern parties including Media, press, UN agencies and the donning community will be cordially asked to attend and witness this event. This move will ensure Sudan commitment towards the implementation of stockpiles destruction.

**Best regards.**
