

Dear Excellencies, Ladies and Gentlemen,

Please allow me to update you on Stockpile Destruction in Yemen.

It is my pleasure to inform you that a recent study funded by the Canadian government and conducted by the Geneva Center to assess the Yemen Stockpile found that Yemen, by destroying all fuses and explosives for POMZ-2 mines, has completed destruction of 85% of our stockpile.

So now, Yemen has only 15% of the original stockpile, and we

Hope the Canadian government will help us to finish the job by

The end of this year.
