National and Intersectorial Commission for Demining and Humanitarian Assistance “CNIDAH”

Created by Presidential decree nº 54/01 in September 2001 is the national authority to plan, coordinate and control the National Mine Action Programme.

It has two Subcommissions:
- For Demining and Mine Risk Education.
- For Support and Social Reintegration.

Subcommission of Support and Social Reintegration of CNIDAH

GENEVE 2004

COORDINATION OF MINE VICTIM ASSISTANCE AND SUPPORT IN Angola
Brief History

The plantation of mines on the Angolan territory dates from the early 60s, with the increase of the colonial ferocity and the emerging groups of rebel nationalists.

There were many actors in the plantation of mines in the country.

Unfortunately these actors are not active part in the country de-mining process.

Aim and function of the Subcommission

- The Subcommission for Support and Social Reintegration coordinates and monitors the activities developed by the Mine Victim Assistance Operators in Angola;

- Since September 2001, the Subcommission has met in a regular base with the operators and partners for information exchange and discussion on operational and technical issues.
Composition of the Subcommission

- Governamental: MoH, MSocialAffairs, Mlabour and MEducation;
- United Nation Agencies: WHO, UNDP and UNICEF;
- CICV and Specialised International NGOs: Handicap Internacional Belgium and France, Germany Technical Cooperation (GTZ), INTERSOS, Vietman Veteran American Foundation (VVAF)
- Nationals NGOs: LARDEF, AMMIGA, ANDA e FAPED.

Areas of Intervention on Victim Assistance and Socio-Economic Reintegration

- Medical Care and Rehabilitation.
  - First Aid and Emergency Evacuation;
  - Hospital and Extra-Hospital Care and Corrective Surgeries;
- Production and Fitting of Prostheses
- Physical and Phsycolological Reabilitation;
- Professional Training and Employment.
- Social and Economic Reinsertion.
Cont.

Support and Assistance to the Mine Victims is part of the national framework to the People with Deasability “PPDs”, directed by National Programme for Physical and Sensorial Rehabilitation inserted in the Operationnal Plan 2001-2005 of Health Ministry, financed by the EC.
