Insert new paragraphs after paragraph 22.

New paragraphs should read as follows:

23. The Meeting expressed concern about the allegations of use of anti-personnel mines in different parts of the world and reaffirmed the determination of the States Parties to the Convention to put an end to the suffering and casualties caused by these weapons.

24. With regard to the breach of the Convention in “Wadi Bani Jarmouz” in Yemen, the Meeting expressed its appreciation of the Government of Yemen’s Official Communiqué of 17 November 2013 outlining the seriousness of the situation, Yemen’s renewed commitment towards all aspects of the Convention and its commitment to investigate and take necessary action.

25. In this regard, the Meeting warmly welcomed the commitment of Yemen to provide to the States Parties, through the President, an interim report by 31 March 2014, and a final report by 31 December 2014, on (a) the status and outcomes of Yemen’s investigation, (b) the identification of those responsible for deploying anti-personnel mines, and subsequent measures taken, (c) information on the source of the anti-personnel mines and how those mines were obtained, particularly given that Yemen had long ago reported the destruction of all stockpiles, (d) the destruction of any additional stocks discovered and the clearance of the mined areas in question, and (e) action to prevent and suppress any possible future prohibited activities undertaken by persons or on territory under its jurisdiction or control.

Renumber remaining paragraphs of the report accordingly.
