

Regarding Stockpile destruction

- Joint Inter ministerial & mine action office coordinated meeting has been conducted three times between Ministry of Foreign Affairs, Ministry of Defense & Ethiopian mine action office. As a result the Ministry of Defense is on process/preparation to announce/declare/ the type, quantity & lot numbers of stockpiles.
- Once the type, quantity & lot numbers of stock piles are declared both Ministry of Defense and Ethiopian Mine Action office will look for skilled EOD specialists, explosives and Financial support too.
- Although official records are not available huge amount of Stockpiled UXO's are destroyed by the Ministry of Defense & EMAO.
- As stated on the first bullet, Donors & technical assistances are expected to upgrade the national EOD's capacity to fulfill Stockpile destruction obligation.
