Form J

Other relevant matters

Remark: States Parties may use this form to report voluntarily on other relevant matters, including matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7. States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.

No mines were discovered at the Kenya- Somali border in 2007. Those in Somali might be in the hands of non-state actors and in use in Somali.

The Kenya government has established International Mine Action Training Centre (IMATC) to train regional security actors on the danger posed by the ant-personnel mines. Kenya has fully complied with article of Ottawa convention by destroying the stockpile except those retained for training purposes. Joint training has not been undertaken during the period covered by the report.
