

PERMANENT REPRESENTATIVE OF UKRAINE
to the UN Office and other international organizations in Geneva

Geneva, December 29, 2014

Dear Mr. Comissario,

In response to your letter of December 4, 2014 № 660/MP-GE/14 I would like to commend you for your efforts related to the implementation of the mandate of the President of the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on Their Destruction (APLC), as well as to express gratitude for your attention to Ukraine's compliance with this important international document. I also appreciate your offer to fully support my country in carrying out this task, as well as your understanding of the significant challenges Ukraine has encountered in fulfilling its relevant obligations.

In this regard I would like to kindly inform you that the Ukrainian side plans to present all the information available regarding the destruction of all stockpiled anti-personnel mines under its control or jurisdiction during the Meeting of Experts of States Parties to the APLC to be held in 2015.

Thanking for your cooperation and comprehension I remain

Sincerely yours,

Yurii Klymenko
