Form A National implementation measures

Article 7.1 "Each State Party shall report to the Secretary-General ... on:

a) The national implementation measures referred to in Article 9."

Remark: In accordance with Article 9, "Each State Party shall take all appropriate legal, administrative and other measures, including the imposition of penal sanctions, to prevent and suppress any activity prohibited to a State Party under this Convention undertaken by persons or on territory under its jurisdiction or control".

State [Party]:	REPUBLIC OF TURKEY (TR)	Reporting for time period from	01 MAR 2004	to	28 AUG 2004
----------------	--------------------------------	--------------------------------	--------------------	----	--------------------

Measures	Supplementary information (e.g., effective date of implementation & text of legislation attached).
1. The Constitution of Rep. of Turkey http://www.tbmm.gov.tr/anayasa/constitution.htm 2. The Turkish Criminal Code 3. Turkish General Staff's Directive 4. Mine Victim Assistance	Law No : 2709 Date : 10/18/1982 Article 90 (See Annex-A) Law No.: 5237 Date : 09/26/2004 Article: 174 (See Annex-B) Date: 01/26/1998 See Annex-C See Annex-D

ARTICLE 90. The ratification of treaties concluded with foreign states and international organisations on behalf of the Republic of Turkey shall be subject to adoption by the Turkish Grand National Assembly by a law approving the ratification.

Agreements regulating economic, commercial and technical relations, and covering a period of no more than one year, may be put into effect through promulgation, provided they do not entail any financial commitment by the state, and provided they do not infringe upon the status of individuals or upon the property rights of Turkish citizens abroad. In such cases, these agreements must be brought to the knowledge of the Turkish Grand National Assembly within two months of their promulgation.

Agreements in connection with the implementation of an international treaty, and economic, commercial, technical, or administrative agreements, which are concluded depending on an authorisation given by law, shall not require approval by the Turkish Grand National Assembly. However, agreements concluded under the provision of this paragraph and affecting the economic or commercial relations and private rights of individuals shall not be put into effect unless promulgated.

Agreements resulting in amendments to Turkish laws shall be subject to the provisions of the first paragraph.

International agreements duly put into effect carry the force of law. No appeal to the Constitutional Court can be made with regard to these agreements, on the ground that they are unconstitutional.

Article 174. – (1) Whoever, without the permission of competent authorities, produces, imports or exports, transports from one place to another in the country, keeps, sells, buys or processes radioactive, chemical, biological materials which cause permanent illness and are explosive, burning, caustic, injuring, suffocating, poisonous, shall be sentenced imprisonment from three to eight years and fines for up to 5000 days. Whoever, without the permission of the competent authorities, exports the material and equipment needed in the production, operation or utilization of the materials which are in the scope of this clause, shall also be sentenced to the same penalty.

(2) If these acts are committed in the context of activities of an organization, which has been formed for committing these criminal acts, the penalty to be imposed will be increased by half.

(3) A person who accepts or keeps insignificant amount and type of an explosive material will be sentenced up to one-year imprisonment by considering the intention of use.

In line with the instructions issued with a directive by Chief of General Staff on 26 January 1998, the mining activities within the borders of Turkey have been ceased and mine clearance has begun.

Turkish Armed Forces Rehabilitation and Care Center was put into service in 2000. The Facility has continued to provide medical and rehabilitative care for mine victims since then.

Form I Measures to provide warning to the population

Article 7.1 "Each State Party shall report to the Secretary-General ... on:

- i) The measures taken to provide an immediate and effective warning to the population in relation to all areas identified under paragraph 2 of Article 5."

Remark: In accordance with Article 5, para.2: "Each State Party shall make every effort to identify all areas under its jurisdiction or control in which anti-personnel mines are known or suspected to be emplaced and shall ensure as soon as possible that all anti-personnel mines in mined areas under its jurisdiction or control are perimeter-marked, monitored and protected by fencing or other means, to ensure the effective exclusion of civilians, until all anti-personnel mines contained therein have been destroyed. The marking shall at least be to the standards set out in the Protocol on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices, as amended on 3 May 1996, annexed to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects".

State [Party]: REPUBLIC OF TURKEY (TR) Reporting for time period from 01 MAR 2004 to 28 AUG 2004

[Narrative:]

All of the mined areas within the borders of Turkey are fenced and marked with permanent hazard signs in accordance with the international standards. Both fences and hazard signs are being checked periodically. Furthermore, all mined areas are being monitored by guards for 24 hours. On the other hand, the existence of the minefields is being announced through the local authorities of small settlements such as villages and hamlets to the citizens living nearby.

Form J: Other relevant matters

Remark: States Parties may use this form to report voluntarily on other relevant matters, including matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7. States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular, to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.
