Notes on using the cover page:

1. The cover page can be used as a **complement** to submitting detailed forms adopted at the First and Second Meetings of the States Parties in instances when the information to be provided in some of the forms in an annual report is the same as it would be in past reports. That is, when using the cover page, only forms within which there is new information needs to be submitted.

2. The cover page can be used as a **substitute** for submitting detailed forms adopted at the First and Second Meetings of the States Parties only if all of the information to be provided in an annual report is the same as in past reports.

3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form is **unchanged** in relationship to a previous year's form, the **date of submission** of the previous form should be clearly indicated.

The marking shall at least be to the standards set out in the Protocol on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices, as amended on 3 May 1996, annexed to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects".

State [Party]: Bosnia and Herzegovina reporting for time period from January 2016 to December 2016

[Narrative:]

In 2016, there have been continuous activities on Mine Risk Education through informing of the public, education of the affected groups of population and liaising of mine actions with the impacted community/municipality. The focus of MRE was the conduct of activities within impacted communities/municipalities with large suspect area of III category priority, i.e. education towards the most impacted groups of population. With the technical and financial EUFOR support as well as technical supervision from Mine Action Centre BiH, NGO „Stop Mines“ organized 1 training for „Mine Awareness Instructors“, where 24 attendees passed it with success. In 2016 there were 14 realized projects of MRE education with 22888 persons educated on mine threat.

In 2016, 4921 mine marking signs were placed or renewed. Within the project of Mine Risk Education in the local communities of Boderište, Ulice, Bukovac in the area of Brčko District, “NVO Posavina bez mina” placed 3 billboards – informers on the mine situation.

In 2016, 34 project of permanent marking were realized, with marked suspect hazardous area of 2,97 km² and 386 individual signs placed.
