#### Notes on using the cover page:

1. The cover page can be used as a **complement** to submitting detailed forms adopted at the First and Second Meetings of the States Parties in instances when the information to be provided in some of the forms in an annual report is the same as it would be in past reports. That is, when using the cover page, only forms within which there is new information needs to be submitted.

2. The cover page can be used as a **substitute** for submitting detailed forms adopted at the First and Second Meetings of the States Parties only if all of the information to be provided in an annual report is the same as in past reports.

3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form is **unchanged** in relationship to a previous year's form, the **date of submission** of the previous form should be clearly indicated.

# CONVENTION ON THE PROHIBITION OF THE USE, STOCKPILING, PRODUCTION AND TRANSFER OF ANTI-PERSONNEL MINES AND ON THEIR DESTRUCTION

#### Form I Measures to provide warning to the population

i) The measures taken to provide an immediate and effective warning to the population in relation to all areas identified under paragraph 2 of Article 5."

*Remark:* In accordance with Article 5, para.2: "Each State Party shall make every effort to identify all areas under its jurisdiction or control in which antipersonnel mines are known or suspected to be emplaced and shall ensure as soon as possible that all anti-personnel mines in mined areas under its jurisdiction or control are perimeter-marked, monitored and protected by fencing or other means, to ensure the effective exclusion of civilians, until all antipersonnel mines contained therein have been destroyed. The marking shall at least be to the standards set out in the Protocol on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices, as amended on 3 May 1996, annexed to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects".

State [Party]:	Bosnia and Herzegovina	reporting for time period from	January 2019	to	December 2019
----------------	------------------------	--------------------------------	--------------	----	---------------

In 2019, mine/ERW/cluster munition awareness activities were continuously conducted through public information, education of at-risk groups of population and liaison of mine action and at-risk community. The focus of mine/ERW/cluster munition awareness was the conduct of activities in at-risk communities with large suspect area, i.e. the focus was the most at-risk groups of population. In the reporting period, 11 mine/ERW/cluster munition awareness projects are either being realized or completed, and 36,295 persons were educated about mine threat.

Project name	Administrative level	Organization	Number of educated persons
UM EUFOR	Bosnia and Herzegovina	EUFOR	19,260
Trusina		Norwegian People's Aid NPA	603
Debelo Brdo		Norwegian People's Aid NPA	1,269
Novo Selo		Norwegian People's Aid NPA	103
Richard International Primary School		Norwegian People's Aid NPA	60
Upozoravanje na mine	Unsko sanski Kanton	Red Cross Society BiH	12,000
"Misli mine"	Bosnia and Herzegovina	Red Cross Society BiH	3,000
TOTAL			36,295

Article 7.1 "Each State Party shall report to the Secretary-General ... on:

Based on the knowledges about illegal migration on the territory of Bosnia and Herzegovina, and due to increased migrations through BiH, Mine Action Centre BiH organized theme meetings about the issue in cooperation with Border Police of BiH, Norwegian People's Aid (NPA), International Red Cross Committee and Red Cross Society, all in order to preventively take measures of warning migrants about the threats of mines/ERW/cluster munition.

As a result of these meetings, IRCC BiH has issued 22,246 pieces of material (leaflets, posters and one banner at Vučjak) in five languages (Arab, Urdu, Pashtu, Farsi, English) for 10 locations in BiH (Bihać, Velika Kladuša, Cazin, Bijeljina, Zvornik, Čajniče, Ključ, Mostar, Tuzla, Kalesija, Trebinje). The leaflets were produced in cooperation with BHMAC and with the financial support of ICRC. Distribution of leaflets was completed via mobile teams of Red Cross BiH at locations mentioned above. Red Cross Bosnia and Herzegovina as a structure has realized the competition "Misli mine" for primary school pupils. A total of approximately 25.0 00 children were directly and indirectly involved. During 2019, two courses were held for mine awareness instructors, attended by 50 attendees from various organizations which deal with mine awareness. The Red Cross Society BiH as a structure realized the competition "Misli mine" for primary school pupil. A total of approximately 25.0 00 children were directly and indirectly involved.

#### Form J Other relevant matters

Remark: States Parties may use this form to report voluntarily on other relevant matters, including matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7. States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.

State [Party]: Bosnia and Herzegovina reporting for time period from January 2019 to December 2019

[Narrative / reference to other reports:]

Bosnia and Herzegovina is able to share expertise and experience in Mine Action. Bosnia and Herzegovina is not a position to provide financial assistance to other State Party.

#### MINE VICTIM ASSISTANCE

In 2019, 2 coordination meetings were held for mine/ERW/cluster munition victims assistance in BiH, with one goal: to coordinate activities in the area of victims assistance, to raise awareness about issues and needs of mine victims, to create projects, plans and documents in order to improve the social position of mine victims.

In 2019, and in joint initiative of World Vision, UDAS and Mine Action Centre BiH, within EU funded program in BiH "Integrated social and economic support to mine victims in BiH", a draft has been prepared of the action plan for 2019 – 2025 for Mine Victims Assistance in BiH.

In the period of 1996–2019, 113 mine victims assistance projects were realized in BiH, and they are recorded in BHMAC database, encompassing 407 direct users. Out of that number, 384 persons were involved through economic, medical, social or legal assistance, while 23 women participated.

In this recording period, there has been a continuous database update of BHMAIS. The information from BHMAIS victims database were distributed as per legal request to all interested parties, in accordance to The Law on Protection of Personal Data in Bosnia and Herzgovina.

The implementation of the EU supported project has been finalized in BiH. The project "Social and economic empowerment of mine victims and their families through purchase of tools, technical equipment, training in small business, and technical support in following municipalities: Konjic, Lukavac, Travnik, Donji Vakuf, Bihać, Velika Kladuša, Doboj, Stanari, Zvornik, Čajnice and Bosanka Krupa. The total project value is EU 388.830. The project was implemented by organizations World Vision BiH and Amputee Association "UDAS" from RS, encompassing 60 direct mine/ERW/cluster munition victims.

Amputee Association "UDAS" has organized the following in 2019: 6 educations, 5 round tables with the topic of accessibility for persons with disabilities (representatives of OSI organizations and representatives of authorities; two brochures were made (manual for peer support and inclusive employment of persons with disabilities); 3 meetings were held of peer support in 3 cities; project visual was designed; webpage https://ravnopravnorazliciti.org/ has been designed; social network sites were opened (Facebook, Twitter, Instagram); two activities were held with the representatives of media in order to promote the project; 3 meetings were held of the members of men and women with disabilities (women network, mine victims network); several meetings were held with representatives of local and entity authorities; a team has been created for the monitoring of legislation in the area of social inclusion of persons with disabilities; analysis was made of the architectural accessibility for 20 schools and 6 public institutions, partial activity was conducted within the advocacy campaign "All Faces of Accessibility"; 4 meetings were held with partner organizations and 13 meetings of the project team, in order to jointly plan the realization of the project and a reflection upon previous implementation flow. Total number of direct participants is 359 (187f/172m)

In 2019, a non-government organization "ABS" conducted the analysis and grading of 89 accepted business plans submitted by users who were mine victims, from 11 local project communities.

The said organization "ABS" organized and realized the distribution of livestock for 11 users at 4 administrative units: Velika Kladuša, Bihać, Lukavac and Zvornik, along with delivery and setting up greenhouses for 4 users. This organization also completed the delivery of motor hoes with drive wheels and tools for 31 users – mine victims in 11 municipalities, along with distribution of various tractor attachments for 5 users.

The first conference of mine victims has been realized, including transport and lodgings on Jahorina for users – mine victims, local coordinators from 11 administrative units, and guest lecturers.

A touring exhibition has been organized for art works created at the art colonies in 11 targeted municipalities from February to July 2019. In that period, the project team has organized a total of 11 exhibitions within 88 days. A total of 2151 persons visited the exhibition and were acquainted with advocacy messages sublimed through the slogan "BiH without mines, barriers and victims by 2025".

The support for the organization of peer groups by trained personnel from the centers for mental health and rehabilitation in 11 targeted communities. 63 mine survivors and 25 employees participated in total of 9 peer support groups.
