Notes on using the cover page:

1. The cover page can be used as a **complement** to submitting detailed forms adopted at the First and Second Meetings of the States Parties in instances when the information to be provided in some of the forms in an annual report is the same as it would be in past reports. That is, when using the cover page, only forms within which there is new information needs to be submitted.
2. The cover page can be used as a **substitute** for submitting detailed forms adopted at the First and Second Meetings of the States Parties only if all of the information to be provided in an annual report is the same as in past reports.
3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form is **unchanged** in relationship to a previous year's form, the **date of submission** of the previous form should be clearly indicated.

State [Party]: **United Kingdom**

reporting for time period from **01 January 2023** to **31 December 2023**

The UK's "mine action" programmes collectively cover the clearance of cluster munitions, landmines and other explosive remnants of war, alongside risk education and other activities. It is not possible to separate out funds spent relating to anti-personnel mines alone. These projects take place through funds from the Foreign, Commonwealth and Development Office under its Global Mine Action Programme (GMAP), and the UK Government's Conflict, Security and Stability Fund (CSSF).
