Form A National implementation measures

Article 7.1 "Each State Party shall report to the Secretary-General ... on:
a) The national implementation measures referred to in Article 9."

Remark: In accordance with Article 9, "Each State Party shall take all appropriate legal, administrative and other measures, including the imposition of penal sanctions, to prevent and suppress any activity prohibited to a State Party under this Convention undertaken by persons or on territory under its jurisdiction or control".

State [Party]: AUSTRIA reporting for time period from 01 01 2025 to 31 12 2025

Measures	Supplementary information (e.g., effective date of implementation & text of legislation attached).
Already prior to the entry into force of the Convention, the Austrian Federal Law on the Prohibition of Anti-Personnel Mines came into effect. Art. 2 of the said bill prohibits the production, acquisition, sale, procurement, import, export, transit, use and possession of anti-personnel mines. According to Art. 4, the Federal Ministry of the Interior shall destroy existing stockpiles of anti-personnel mines within one month after the law's entry into force. The bill further imposes a penalty on whoever, even by negligence, contravenes the prohibitions of Art. 2 of the bill. Thus, the bill fully implements all prohibitions of the Convention.	The Convention entered into force for Austria as of 1 March 1999 (BGBl (Federal Law Gazette) III Nr. 39/1999). The Austrian Federal Law came into effect as of 1 January 1997 (BGBl I Nr. 13/1997).

States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.

State [Party]: AUSTRIA reporting for time period from 01 01 2025 To 31 12 2025

[Narrative / reference to other reports:]

Austria provides assistance to mine action through bilateral and multilateral programmes and supports mine action activities of the European Union.

In 2025, Austria provided support to the Implementation Support Unit of the Mine Ban Convention, including for the administration of the sponsorship programme. Austria provided financial support to the International Campaign to Ban Landmines and the Cluster Munitions Coalition (ICBL-CMC) including support for the Landmine/Cluster Munitions Monitor 2025. Building on past funding to a project 2023/2024 of ICBL-CMC on capacity building for representatives of mine survivors in Uganda, Austria has financially supported a project with the Amputee Self-Help Network Uganda (ASNU) and ICBL with the objective to support female survivors of landmines in independently securing their livelihoods during 2025.

Austria supported mine action (clearance, risk education, victim assistance) in Ukraine in cooperation with WFP and FAO.

Austria continued to provide mine/UXO clearance teams during this reporting period in the framework of EUFOR ALTHEA and KFOR. Training programmes on mines and UXO's are implemented for all units conducting collective training as well as for all units during pre-deployment training for operations in Lebanon (UNIFIL), Bosnia and Herzegovina (EUFOR ALTHEA) and Kosovo (KFOR).

Within the framework of the EU, Austria contributes to the financing of an Assistance Measure in the framework of the European Peace Facility aimed at enhancing and upgrading the capabilities of the Demining Battalion of the Armed Forces of Bosnia and Herzegovina through the provision of adequate equipment (2023-2025 overall financial contribution € 10 Mio. by EU, whereby the AT share is of approximately € 279.000).
