

## Article 7 Report - 1 January to 31 December 2025

---

### Anti-Personnel Mine Ban Convention Annual Article 7 Reporting

---

Welcome to the online reporting platform,

- The online reporting platform has been established to support your reporting efforts in accordance with the Guide to Reporting.
- In accordance with Article 7, your report is required to be submitted to the depository of the Convention by **30 April** each year.
- Please fill out your contact information first and then proceed to the summary report. For every section of the summary report, please indicate if the information is "changed", "unchanged" or "not applicable". Once you have filled out the summary report, you will only be allowed to fill out forms where you indicated that information has "changed" in the summary report.
- For guidance on reporting, please refer to the Guide to Reporting available under 'My Reports'.
- You may attach files where relevant. Please note that all attachments together should not exceed the size limit of 5MB.
- You will be able to save, edit and view your report before you submit it. You may return to previous questions, save and logout at any time.
  - To save your report, click on the '**SAVE**' button which you will find at the bottom of each page.
  - To edit your report, go to 'My Reports', select the report you want to edit, and click '**EDIT**'.
  - To view your report, click on the '**PDF**' button which you will find at the bottom of each page.
  - To submit your report, first save your report. You will then be directed to "My Reports" where you can click on the '**SUBMIT**' button.
- When you submit your report, it will be sent directly to the depository and copied to the ISU. You will receive a confirmation email that your report has been submitted.
- Once submitted, you will be able to view but not edit your report.
- Should you encounter any difficulty while using the online reporting platform, please contact the ISU at [isu@apminebanconvention.org](mailto:isu@apminebanconvention.org)

## Summary report

For every section of the summary report, please indicate if the information is "changed", "unchanged" or "not applicable".

The option to fill out the detailed form(s) will only be available for the section(s) where you have indicated information has "changed". If an indication is made in the summary report that the information to be provided with respect to a particular form is "unchanged" in relationship to a previous year's form, the date of submission of the previous form should be clearly indicated. The option to fill out the detailed form will not appear.

The summary report can be used as a substitute for submitting the detailed report only if all of the information to be provided in the annual report is the same as in past reports.

- changed  
 unchanged  
 non applicable

### Add any additional information

### Attachments (eg. Note Verbale)

Norway 2025 mine action assistance.docx

30 KB

## I. Cooperation and assistance

### 1. Cooperation

Insert information on cooperation (e.g. cooperation and assistance provided by your State, requirements for cooperation and assistance and cooperation received (e.g. financial, technical advice, exchange of experiences, etc.) and partnerships for completion forged.

During the period covered by this report (2024), Norway contributed at least 600 million NOK to mine action in its wider sense – to clear all explosive remnants of war. For detailed information, please see the attached table.

### 2. Efforts to strengthen national coordination

Insert information on efforts undertaken by your State to strengthen national coordination including by ensuring regular dialogue with national and international stakeholders on progress, challenges and support for implementation of your State's obligations under the Convention including through, where relevant, the establishment of an appropriate national platform for regular dialogue among all stakeholders.

N/A

### 3. Efforts to integrate mine action activities

If your State is a beneficiary of assistance, insert information on efforts to integrate mine action activities into other frameworks (e.g. humanitarian response plans, strategies for the inclusion of persons with disabilities) and the financial commitment of your State to implementation.

N/A

### 4. Gender and diversity

If your State is a provider of assistance, insert information on how the different needs and perspectives of women, girls, boys and men, including mine survivors and affected communities, is considered in the provision of cooperation and assistance.

Some factors are considered fundamental for sustainable development, and should always be considered in Norway's development support: Human rights; women's rights and gender equality; climate and environment and anti-corruption. These are known as the four "cross-cutting issues". The gender perspective is to be integrated into all our humanitarian efforts, and special priority shall be given to women's rights and participation.

### 5. Efforts to develop and promote cooperation

Insert information on efforts undertaken to develop and promote bilateral, regional and international cooperation and sharing of best practices.
