Notes concernant l'utilisation de la page de couverture:

1. La page de couverture peut **compléter** les formules détaillées adoptées à la première et à la deuxième Assemblée des États parties lorsque les renseignements figurant dans certaines formules du rapport annuel sont identiques à ceux qui sont contenus dans les rapports précédents. En pareil cas, il suffit de joindre les formules qui contiennent de nouveaux éléments d'information.
2. La page de couverture peut **remplacer** les formules détaillées adoptées à la première et à la deuxième Assemblée des États parties, à condition que tous les renseignements figurant dans le rapport annuel soient identiques à ceux qui sont contenus dans le rapport précédent.
3. Lorsqu'il est mentionné sur la page de couverture que les renseignements correspondant à une formule donnée sont les mêmes que ceux qui ont été fournis dans un rapport antérieur, la date de présentation de ce dernier doit être indiquée clairement.
