Notes on using the cover page:

1. The cover page can be used as a **complement** to submitting detailed forms adopted at the First and Second Meetings of the States Parties in instances when the information to be provided in some of the forms in an annual report is the same as it would be in past reports. That is, when using the cover page, only forms within which there is new information needs to be submitted.
2. The cover page can be used as a **substitute** for submitting detailed forms adopted at the First and Second Meetings of the States Parties only if all of the information to be provided in an annual report is the same as in past reports.
3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form is **unchanged** in relationship to a previous year's form, the **date of submission** of the previous form should be clearly indicated.

Remark: States Parties may use this form to report voluntarily on other relevant matters, including matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7. States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.

State [Party]: Czech Republic reporting for time period from 1. 1. 2014 to 31. 12. 2014

[Narrative / reference to other reports:]

Steps taken to implement provisions of Article 6:

The Czech Republic in given period provided financial contribution to:

- 1) **Bosnia and Herzegovina** through International Trust Fund for Demining and Mine Victims Assistance (ITF) – **14.145 EUR**. Part of the contribution is used to continue a project „The voice of mine victims in Bosnia and Herzegovina“. The second part was earmarked to cover costs of demining activities in Brdjani-Remicke municipality;
- 2) Anti-Personnel Landmines Convention Secretariat (ISU) – **4.343 CHF** on the implementation and universalisation activities of the convention;
- 3) **Hashemite Kingdom of Jordan** through NATO Explosive Ordnance Disposal project - TF JORDAN III - Woman's Training CoE in ERW - **84.000 EUR**;
- 4) **Georgia** through NATO for Explosive Ordnance Disposal project TF GEORGIA IV – **45.400 EUR**;
- 5) **Serbia** through NATO TF Serbia IV – **20.000 EUR** on development of the Serbia demilitarisation facility – TRZ Kragujevac.

Since the Czech Republic does not differentiate between various explosive remnants of war (mines, cluster munitions, ERW, EOD) in terms of assistance, above given information on assistance is also included in CCW P-II, APLC and CCM reporting forms provided by the Czech Republic.

*(Information about above given contributions have been also included in Amended Protocol II and V, CCW and CCM annual report)*

**Matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7**

The Czech authorities are currently undertaking examination of ammunition and mines in possession of a private company with respect to their possible relation to the scope of the Ottawa Convention. Outcome of the examination will be duly reported in transparent manner.
