12:00 – 14:00 **Gendering on: updates on gender in mine action.** Hosted by the Gender and Mine Action Programme (GMAP) and the United Nations Mine Action Team
Location: Champey Hall, 3rd floor, Peace Palace

The importance of a gender perspective in mine action is widely recognised and expressed in the Cartagena Action Plan as well as in other instruments and guidelines. However, only a few States Parties report on the actions taken to ensure that mine action is more gender-sensitive and therefore more inclusive and effective. The side event aims to provide updates on gender mainstreaming in mine action and to encourage states and operators to put into practice the concrete gender-related action points of the CAP, to report on them, and to share their experiences during the 11MSP week by making use of different opportunities. Several organisations will present examples and updates on what is being done in the field. Contact: Arianna Calza Bini (a.calza-bini@gmap.ch)

12:00 – 14:00 **Land release applications: Cambodia's experience, lessons learned and the way forward.** Hosted by the Cambodian Mine Action Centre (CMAC), Norwegian Peoples Aid (NPA) and the Geneva International Centre for Humanitarian Demining (GICHD)
Location: Champa Hall, 3rd floor, Peace Palace

Land Release concepts, when properly applied, can prevent costly mine clearance resources from being wasted, thus enabling efficient clearance of better defined landmine/explosive remnant of war (ERW) fields which leads to more land being safely returned to communities more quickly. This event will highlight Cambodian and other international best practice in land release and provide an opportunity to discuss the optimum use of different techniques and assets, the development of protocols and standard operating procedures, and

ways of supporting this initiative. Contact: Oum Sam Onn (samoum@cmac.gov.kh)

12:00 – 14:00 The human stories of victim assistance in Cambodia. Hosted by Handicap International (HI)

Location: Yithor Hall, 3rd floor, Peace Palace

17:15 – 19:00 Photo exhibition and reception. Hosted by the UN Mine Action Team.

Location: Peace Palace

The UN Mine Action Team welcomes all delegates to the launch of a photo exhibit by renowned TIME photographer Marco Grob who recently visited Cambodia to document the impact of mine action work across the country. Contact: Aaron Buckley (buckleya@un.org)

Thursday 1 December

12:00 – 14:00 Global “lend-your-leg” campaign. Hosted by the Arcangeles Foundation and the ICBL

Location: Rumduol Hall, 1st floor, Peace Palace

After a highly successful national campaign in Colombia on 4 April 2011, Arcangeles and the ICBL are making the “roll-up” campaign global, challenging everyone to “roll-up” their pant leg to raise awareness of the issues of landmines and share advocacy messages specific to their country using the global attention brought by this action. Contact: Juan Pablo Salazar (juansalazar@arcangeles.org)

12:00 – 14:00 Reporting in mine action; challenges and opportunities. Hosted by Norwegian People’s Aid (NPA)

Location: Champa Hall, 3rd floor, Peace Palace

This event will lay out some of the challenges in reporting, from a methodological point of view, from an information management point of view and from a political point of view. It will also discuss potential opportunities to improve reporting at several levels. Contact: Atle Karlsen (atlek@npaid.org)

12:00 – 14:00 **Improving the livelihoods of mine/ERW victims in Cambodia.** Hosted by Handicap International (HI) and Operations Enfants du Cambodge
Location: Yithor Hall, 3rd floor, Peace Palace

The Towards Sustainable Income Generating Activities project will be presented, including methodologies through which, in accordance with the Cartagena Action Plan, support to access social and economic services is provided while supporting disabled people's organisations to participate actively in policy-making at the community level. Contact: Wanda Muñoz (talivelihoodasia@thailand-hi.org)

12:00 – 14:00 **Innovation in risk education programming.** Hosted by Mines Advisory Group
Location: Champey Hall, 3rd floor, Peace Palace

Risk education programming continues to hold a key place in mine action, particularly in the context of emergency response but also in long standing and established contexts. Projects continue to draw on the considerable experience and lessons learned in Cambodia, Angola and elsewhere. This event considers the continual innovation that is required to ensure that risk education operations remain efficient, effective and appropriate to their contexts. Contact: Darren Cormack (Darren.cormack@maginternational.org)

18:00 – 19:30 **Boat event on the Tonle Sap River.** Hosted by the ICBL
Location: Wharf of the Titanic restaurant

All delegates are invited to a boat event on the Tonle Sap River to reflect on the progress of the past 20 years in reaching a mine-free world and to discuss challenges ahead and ways to overcome them. Contact: Denise Coghlan (cambanlmcm@gmail.com)

Friday 2 December

12:00 – 14:00 **Emergency response.** Hosted by Mines Advisory Group
Location: Rumduol Hall, 1st floor, Peace Palace

A visual journey from Kosovo, Lebanon, Iraq and Libya will highlight the necessity for innovative and immediate mine action during and after conflicts. Stressing the importance of rapid response and effective partnerships across the mine action community, this multimedia presentation is comprised of photographs by MAG's Sean Sutton and will be followed by a Q&A. Contact: Darren Cormack (Darren.cormack@maginternational.org)

12:00 – 14:00 **Successful IMSMAng implementation in Cambodia.** Hosted by the Cambodian Mine Action Authority (CMAA) and Norwegian People's Aid (NPA).
Location: Champa Hall, 3rd floor, Peace Palace

The good features of the IMSMAng system as Cambodia's national mine action information tool will be presented along with the current status of information management in Cambodia. Contact: Eang Kamrang (kamrang@cmaa.gov.kh)

12:00 – 14:00

Survivor participation in practice. Hosted by the ICBL

Location: Champey Hall, 3rd floor, Peace Palace

Survivor participation is a guiding principle for the ICBL and states have recognized the need for full participation expressed by survivors and others. The Cartagena Action Plan includes commitments to increase survivor participation in all areas of mine action nationally, including mine clearance and victim assistance. This event offers diverse perspectives on practical steps taken to strengthen survivor participation. Contact: Loren Persi (loren@icblcmc.org)

12:00-14:00

Landmines in Libya. Hosted by Handicap International (HI) and Human Rights Watch (HRW)

Location: Yithor Hall, 3rd floor, Peace Palace

Both anti-personnel and anti-vehicle mines were laid during this year's conflict in Libya. Unexploded ordnance (UXO) also poses a grave threat to civilians as do abandoned and unsecured stockpiles of weapons. This event looks at the impact of mines and UXO in Libya and measures being taken to remedy their impact. Contact: Mary Wareham (wareham@hrw.org)

12:00-14:00

Lebanon: 2011-2020 Mine Action Strategy. Hosted by Lebanon and the UNDP

Location: Room 5, 4th Floor, Peace Palace
