

# Planning to complete, preparing for completion

**Josephine Dresner, Policy and Partnerships Director, MAG**

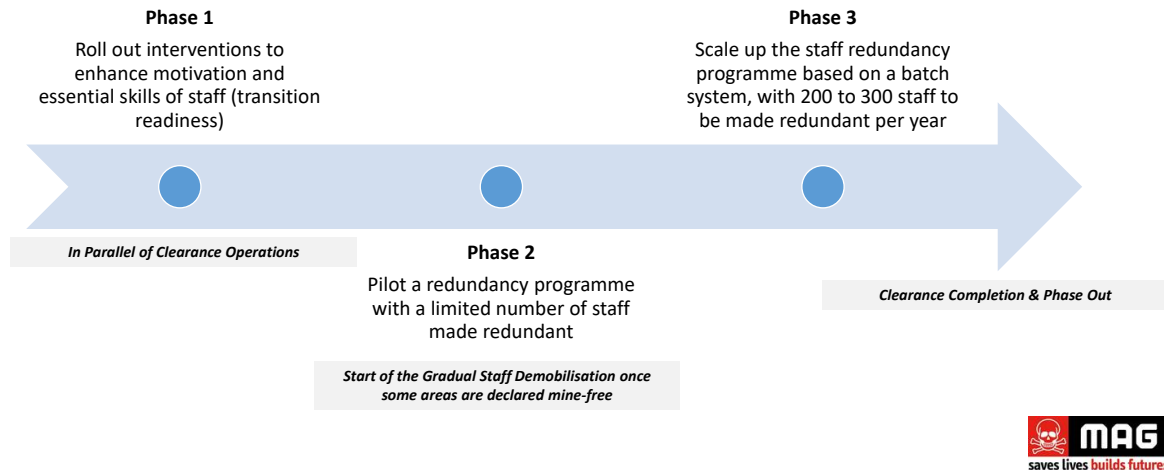

**Sustainable National Capacities - APMBC Intersessionals, 23 June 2021**

1

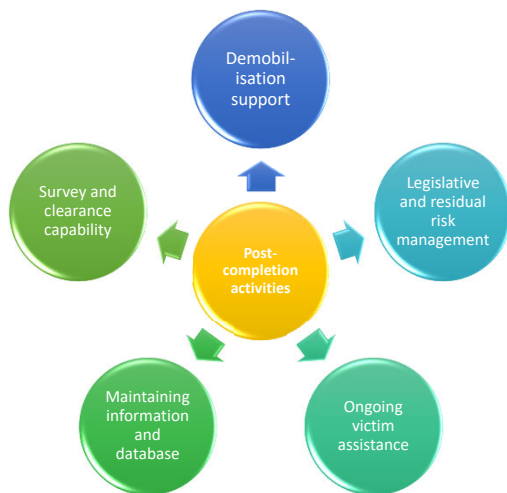

2

## Demobilisation process – Sri Lanka model

3

## Post-completion activities and needs

### NEEDS?

- Coordination and management structure
- Technical capacity, training and equipment
- Integration with wider government structures (e.g Ministry of Health / Environment / Agriculture etc)
- Representation and reporting obligations
