Report of the independent auditor on the balance sheet and expenditures and revenues statement of the Trust Fund ISU - APMBC to the Director of Geneva International Centre for Humanitarian Demining "GICHD", Geneva

Report of the Independent Auditor on the Financial Report

In accordance with the terms of our engagement, we have audited the accompanying Balance Sheet and Expenditures and Revenues Statement ("the financial report") of the Trust Fund ISU - APMBC for the year ended 31 December 2021.

GICHD Director's Responsibility

The GICHD Director is responsible for the preparation of this financial report in accordance with the requirements of Swiss law. This responsibility includes designing, implementing and maintaining an internal control system relevant to the preparation of the financial report that is free from material misstatement, whether due to fraud or error. The GICHD Director is further responsible for selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Independent Auditor's Responsibility

Our responsibility is to express an opinion on this financial report based on our audit. We conducted our audit in accordance with Swiss Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control system relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control system.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
