HISTORY

- Our country has been the target of heinous terrorist attacks for decades.
- In 1995, "Come on Turkey! Hand in hand with our soldiers" has been launched
- With the income obtained, our facility was built and put into service in 2000.
- This fully equipped facility operates under the roof of Ministry of Health.

WE IN THE PRESS

A photograph of a young man with dark hair and a beard, wearing a blue t-shirt. He is holding a red book with a white 'CC' logo on the cover. To his right is a large red flag with a white crescent and star. The background shows a white wall and some furniture.

Dünyanın üçüncü büyük rehabilitasyon hastanesi

mayan gazi rnek oluyor

de hayatı tutunması için birçok yarışma ve bülümde ödül aldı. **"SAĞLAM INSANLARIN YAPAMADIGI YAPIYORUM"**

Spor tutkusunu hiç kaybetmediğin vegayretiyle yapamadığı harem olmadığını belirtir. Varyenisi, "yapılmış haremde senin sayısızdır. Haremdeki harem normal şartlarda iki bacısı olan,

bana eğitim veren hocalarım da yarışmada dumurdı. Gelişimsel teşhisi yaşamış oldum. İşçiler onlar da ailelerist, korkuyorlardı. "sağlam naslınlardan" diyse soruyorlar. Uçan tekseydi, günde 1000 tane çiğdiri fırıldırır, öyle yapardı. Norma şansında da sağlam ınsanın rafahlığı yapamayacağının haremdeğerdir. 10 yıl tekneden ile uğraştım. Haremdeki haremci rafahlığı yapabiliyorum" dedi.

THANK YOU

“Veterans who sacrificed their lives for the sake of the country and the nation are living monuments. Whatever we do for them is not enough”.
Mustafa Kemal ATATÜRK
