As you are aware, the submission of detailed Article 7 Reports by States Parties is fundamental to assessing the status of implementation of the Convention. Further to this, it is also fundamental to the efforts of the President and Committees to implement their mandate of measuring progress in implementation of the Convention and the Oslo Action Plan.

We are hopeful that this event will also support your efforts in preparing your State's Article 7 Report due by **30 April 2023** and we look forward to our discussions.

Yours sincerely,

THOMAS GÖBEL
