

**Anti-Personnel Mine Ban Convention**  
**Intersessional Meetings | 19-21 June 2023**  
**World Meteorological Organisation Building, in Geneva**

**Administrative Information**

**1. Nature of the meetings**

Intersessional meetings are being held pursuant to the decision of the 2014 Third Review Conference that “informal intersessional meetings will be held each year, preferably after the 30 April deadline for submitting transparency information, and that they could comprise a thematic segment and a preparatory segment.” On 25 November 2023, the Twentieth Meeting of the States Parties decided to hold the Intersessional Meetings 26-30 June 2023 in Geneva, Switzerland, subject to availability of conference space. On 3 April 2023, the President of the Twenty-First Meeting of the States Parties informed that the dates had to be changed due to challenges in locating a suitable facility.

The Intersessional Meetings will take place over a 3-day period, from 19-21 June 2023. On 20 June, six thematic discussions will be held with the aim of providing time to engage in a more substantial exchange of information on important topics related to the implementation of the Convention.

**2. Format of the meetings**

The Intersessional Meetings will be held in person. For those participants unable to attend, the possibility will be given to follow the meeting online.

**3. Participation**

The Intersessional Meetings are open to the States Parties, States not party to the Convention and interested international and non-governmental organisations.

**5. Costs**

**6. Venue**

The Intersessional Meetings will be held at the World Meteorological Organisation Building, in Geneva, 7bis, avenue de la Paix.

## 7. Languages

In keeping with past practice, interpretation at the Intersessional Meetings will be provided in Arabic, English, French, Russian, and Spanish.

## 8. Travel and accommodation

Participants are expected to cover their own travel and accommodation expenses and to take steps to ensure that they have adequate medical coverage while in Switzerland. Several other large events will take place in Geneva in June. It is recommended that delegations book accommodation as early as possible.

More information concerning travel to Switzerland is available at:

## 9. Visa requirements for Switzerland

Participants requiring entry visas for Switzerland and transit visas are required to make their own arrangements. Switzerland is an associated Member State of the Schengen Agreement and hence Schengen regulations apply for the entry. The process of acquiring a Schengen visa takes up to 21 days once your application is completed. Therefore, it is strongly recommended that delegates contact the Swiss representation responsible for their place of residence as soon as possible for information about visa application procedures and documents to be presented. Switzerland's Federal Department of Foreign Affairs' website contains information about visa requirements, visa application forms and the list of Swiss representations abroad:

## 10. Arrivals in Geneva

Delegates can also obtain a pass for public transportation in Geneva from their hotel for the entire length of their stay.
