Thank you Madame President for giving me the floor.

Thailand remains ready to fully cooperate with Cambodia on the joint demining operations under the Joint Coordinating Task Force. We really hope that our proposal to cooperate under this mechanism will commence without delay.

Thailand would like to reiterate that the sole objective of the APMBC is to achieve a mine-free world. Humanitarian demining operations shall be without prejudice to the boundary survey and demarcation.

Landmines are not border markers, and shall not be used for such inhumane purposes.

Thank you
