Report on the Audit of the Balance sheet and Expenditures and Revenues Statement

Opinion

In accordance with the terms of our engagement, we have audited the accompanying Balance Sheet and Expenditures and Revenues Statement ("the financial report") of the Trust Fund ISU - APMBC for the year ended December 31, 2024.

In our opinion, the financial report for the year ended December 31, 2024, complies with Swiss law.

Basis for Opinion

We conducted our audit in accordance with Swiss law and Swiss Standards on Auditing (SA-CH). Our responsibilities under those provisions and standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the GICHD in accordance with the provisions of Swiss law and the requirements of the Swiss audit profession, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

GICHD Director's Responsibility

The GICHD Director is responsible for the preparation of the financial report in accordance with the provisions of Swiss law and for such internal control as the GICHD Director determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the GICHD Director is responsible for assessing the Trust Fund ISU - APMBC ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the GICHD Director either intends to liquidate the Trust Fund ISU - APMBC or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Swiss law and SA-CH will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on EXPERTsuisse's website at: <https://www.expertsuisse.ch/en/audit-report>. This description forms an integral part of our report.
